Dear GNOCLA Members,

We are past the halfway point of the school year and Spring is fast approaching. So is GNOCLA's Spring Conference. This year's conference will be held at The Rosedale Branch of the Jefferson Parish Library System. Terry Young and others will be giving a presentation about Destiny and we will have breakout sessions to give our elementary and high school librarians time for discussion. There will be no author at this conference because we tentatively have one in the works for the upcoming Fall Conference.

Please make every effort to be at this conference. The Board has reviewed our constitution and by-laws and have proposed updates and changes that require voting by current membership. A full copy of the proposed Constitution and By-Laws with the changes highlighted are attached to this email as well.

Please review the changes carefully. The actual voting will take place at Spring Conference and you will have to be present in order to vote. Nominations will also be taken at this conference for the position of Vice President. Once the voting is done, these changes will go into effect following the close of the Spring Conference.
